12 November 1992

Please pass the following message to His Majesty King Hussain bin Talal.

Assalaam Alaikum wa Rahmatullah wa Barakatuhu.

The Islamic Council appeals to Your Majesty to show compassion in the case of the two members of parliament, Leith Shubeilat and Yaqoub Qarrash, and others who have been given long prison sentences of hard labour. Your intervention to release them would be highly appreciated.

May Allah grant you long life and good health.
